
MAINTENANCE INSTRUCTIONS FOR CHILEWICH HOSPITALITY PRODUCTS

TABLEMATS

WOVEN VINYL - INCLUDES BASKETWEAVE, BAMBOO, MINI BASKETWEAVE, KONO, RIB WEAVE, ENGINEERED SQUARES, BROCADE, LATTICE

Be sure to store Chilewich® Placemats flat. Do not fold or allow them to crease. Chilewich® Placemats are easily cleaned. Clean daily with soap and water, using a damp cloth or sponge.

For a deep cleaning on a weekly or bi-weekly basis a dishwasher can be used. Roll the placemats and place them into the dishwasher, upon completion of the cleaning cycle, remove the placemats and let air dry on a flat surface. For commercial use, a high temperature (up to 180F) sanitizer can be used up to once a week to sanitize the placemats.

Permanent stains may result when certain food or liquids are left on the tablemat for long periods before cleaning. This is more likely to occur with our lighter color textiles. Tomato sauce and mustard may cause permanent stains, but should they or other stubborn stains occur, aggressively scrub the placemat with a bleach-based cleanser. This may remove the stain without altering the fabric.

Do not iron. This is a vinyl product.

TUXEDO STRIPE; Please note, though durable, due to portions of Tuxedo Stripe's open weave, please be more careful when caring for this style.

NON WOVELS – INCLUDES SPUN, PRESSED VINYL AND FAUX BOIS STYLES:

Be sure to store FLAT. Do not fold or allow them to crease.

Chilewich tablemats clean easily with soap and water. A damp cloth or a sponge is all that is necessary.

PLEASE NOTE: This product is NOT dishwasher or washing machine safe.

Air dry.

Do not iron.
